***Business climate, culture, and the employee mindset continue to change. Understanding this new paradigm is critical to businesses looking to thrive. This program focuses on these new leadership imperatives.***

## **TRANSFORMATIVE LEADERSHIP ADDRESSES THE MOST CRITICAL ISSUES FACING BUSINESS TODAY**

**78% of business leaders engage with their employees regularly but only 33% of employees feel engaged.**

**Only 27% of leaders believe they are very effective at leading hybrid teams**

**Over 77% of businesses report that leadership is lacking.**

**79% of employees will quit their job due to lack of appreciation from their leaders.**

**83% of companies believe in developing leaders at all levels but only 5% have integrated leadership development into their company.**

# Transformative Leadership

Effective leadership is not just a skill—it's a transformational journey that propels businesses towards success.

Our Leadership training program is designed specifically for business owners and managers like you who are eager to elevate their leadership capabilities and create leaders throughout their organization.

# WHY WORK WITH US? PROGRAMS THAT MAKE THE DIFFERENCE

## WHAT WE DO

We identify attitudes and behaviors that are hindering performance, and then along with our proven strategies, increase **Emotional Insight™**, resulting in more focused, engaged, and effective action that fuels your business and delights your customers.

## SESSIONS & TECHNIQUES

Attendees find our sessions insightful, educational and fun. We utilize a variety of techniques including the use of popular movies, or top billboard music, which center on a specific principle. This provides a unique and enriching experience for all attendees.

## FLEXIBILITY

Select specific modules from leadership and customer delight that best meet the needs of your specific business. **Programs can be online or in person to best meet your needs.**

## DURATION

You decide on the length of programs to best meet your business needs and timing.

## FLEXIBLE PRICING

Client only pay for content that directly impacts their business.

MODULES	PRICE / MODULE
3-5	\$3500
6-10	\$3250
11-15	\$3000
